(c) The requirements of the Act and regulations shall not be applicable to products required to be labeled under the Wool Products Labeling Act of 1939 (Pub. L. 76-850, 15 U.S.C. 68, 54 Stat. 1128).

(d) Any person marketing or handling textile fiber products who shall cause or direct a processor or finisher to label, invoice, or otherwise identify any textile fiber product with required information shall be responsible under the Act and regulations for any failure of compliance with the Act and regulations by reason of any statement or omission in such label, invoice, or other means of identification utilized in accordance with his direction: *Provided*, That nothing herein shall relieve the processor or finisher of any duty or liability to which he may be subject under the Act and regulations.

§ 303.3 Fibers present in amounts of less than 5 percent.

(a) Except as permitted in sections 4(b)(1) and 4(b)(2) of the Act, as amended, no fiber present in the amount of less than 5 percent of the total fiber weight shall be designated by its generic name or fiber trademark in disclosing the constituent fibers in required information, but shall be designated as "other fiber." When more than one of such fibers are present in a product, they shall be designated in the aggregate as "other fibers." Provided, however, that nothing in this section shall be construed as prohibiting the disclosure of any fiber present in a textile fiber product which has a clearly established and definite functional significance when present in the amount contained in such product, as for example:

4 percent Spandex.

(b) In making such disclosure, all of the provisions of the Act and regulations in this part setting forth the manner and form of disclosure of fiber content information, including the provisions of §§ 303.17 and 303.41 of this part relating to the use of generic names and fiber trademarks, shall be applicable.

(b) Where the generic name of a textile fiber is required to appear in immediate conjunction with a fiber trademark in advertising, labeling, or invoicing, a disclosure of the generic name by means of a footnote, to which reference is made by use of an asterisk or other symbol placed next to the fiber trademark, shall not be sufficient in itself to constitute compliance with the Act and regulations.
